Dear Ms. Kitchen:

With regard to your letter of May 1, please be advised that our administrative function is carried out primarily by our fundraising consultant. Other than as reflected in our FEC filings for other payments that we have made, all administrative expenses are covered in the fee that our consultant charges us. All payments to our consultant are fully disclosed in Schedule B. My services as Treasurer are provided as a volunteer.

Please let me know if this doesn't answer the questions you raised.

Very truly yours,

Larry J. Steinberg
Treasurer
